## Supplemental Life and Disability on Cirrus/USP

### Supplemental Life, STD and LTD available for February 1<sup>st</sup> effective dates!

As of February effective dates, Supplemental Life, STD, and LTD can be installed on the USP platform. Fully Insured new business groups can have ancillary quoted and installed via SAMx. For existing groups wanting to add financial protection lines, or for all Level Funded business (new and renewing), these installs will be handled through our manual process. Please reach out to your AE or RAE today for a quote!

## Supplemental Dependent Life & Basic Dependent Life can be sold together on Cirrus/USP

Previously, there was a system limitation in Prime that did not allow for these two products to be sold together. You can now add on both options with every basic life quote!

## Standalone Disability Guidelines

Group Size	
2 - 5	Standalone not offered; must be installed with 1 additional product
Cirrus 6 +	STD and LTD can be written standalone
Prime 10+	STD and LTD can be written standalone
