**7 out of 10**  
people will need long-term care in their lifetimes<sup>1</sup>

The monthly median cost for a nursing home in the U.S. is  
**\$7,756**<sup>1</sup> each month | **\$93,072**<sup>1</sup> each year

On average, people who require long-term care need services for  
**2 to 4 years**<sup>2</sup>

Under certain conditions, **Medicare** will pay a portion of long-term expenses for the **first 100 days**. After **day 100**, long-term care expenses may need to be paid out of pocket each month<sup>3</sup>

## Financial Protection in More Ways Than One

Group Whole Life Complete provides protection in **three** different ways with **one** permanent life insurance product.

**1 of 3**

### How it works

After enrollment, the **death benefit may be accessed in one of three ways**.

**1. Traditional whole life insurance.** The insured person passes away and their designated beneficiary receives their death benefit as a lump-sum cash payment.

**2. Long-term care services.** They are certified chronically ill and receive long-term care, opting to draw funds from their death benefit to help pay for long-term care services.

**3. Accumulated cash value.** They encounter a financial emergency and need cash, opting to withdraw funds from their cash balance (or borrow against it).

## Group Whole Life Complete

A simple way to help make the future more financially secure

## **CERTIFICATE SPECIFICATIONS**

### **Pre-Existing Condition Limitation**

**Accelerated Death Benefit for Long Term Care with Restoration of Benefits and Extension of Benefits Rider** - Benefits are not paid for a period of chronic illness care resulting from a pre-existing condition that begins within the first 6 months after the effective date of coverage. This does not apply to a period of care beginning 6 months after the effective date. A pre-existing condition is a condition for which medical advice or treatment was recommended or received from a medical professional within 6 months before the effective date.

### **Exclusions**

**Accelerated Death Benefit for Long Term Care with Restoration of Benefits and Extension of Benefits Rider** - Benefits are not paid for long-term care services that are: a result of mental or emotional disorder (except for Alzheimer's Disease, senility or senile dementia that are of organic origin); a result of alcoholism or drug addiction; a result of illness, treatment or medical conditions due to: act of war, participation in a felony, riot or insurrection, serving in the armed forces or auxiliary units, suicide or attempt at suicide, or intentionally self-inflicted injury; provided in a federal government facility (unless required by law); services for which benefits are available under Medicare (except for deductibles or coinsurance requirements) or other governmental program (except Medicaid), any state or federal workers' compensation, employer's liability or occupational disease law, or motor vehicle no-fault law; received outside the United States or its territories.

**Suicide Exclusion for Group Whole Life** - If the insured commits suicide within 2 years of the effective date of coverage, the death benefit will be limited to the premiums paid.
